VOL. 3 HC****Written by STAN LEE & LARRY LIEBER****Penciled by JACK KIRBY, STEVE DITKO, DON HECK & PAUL REINMAN****Cover by JACK KIRBY**

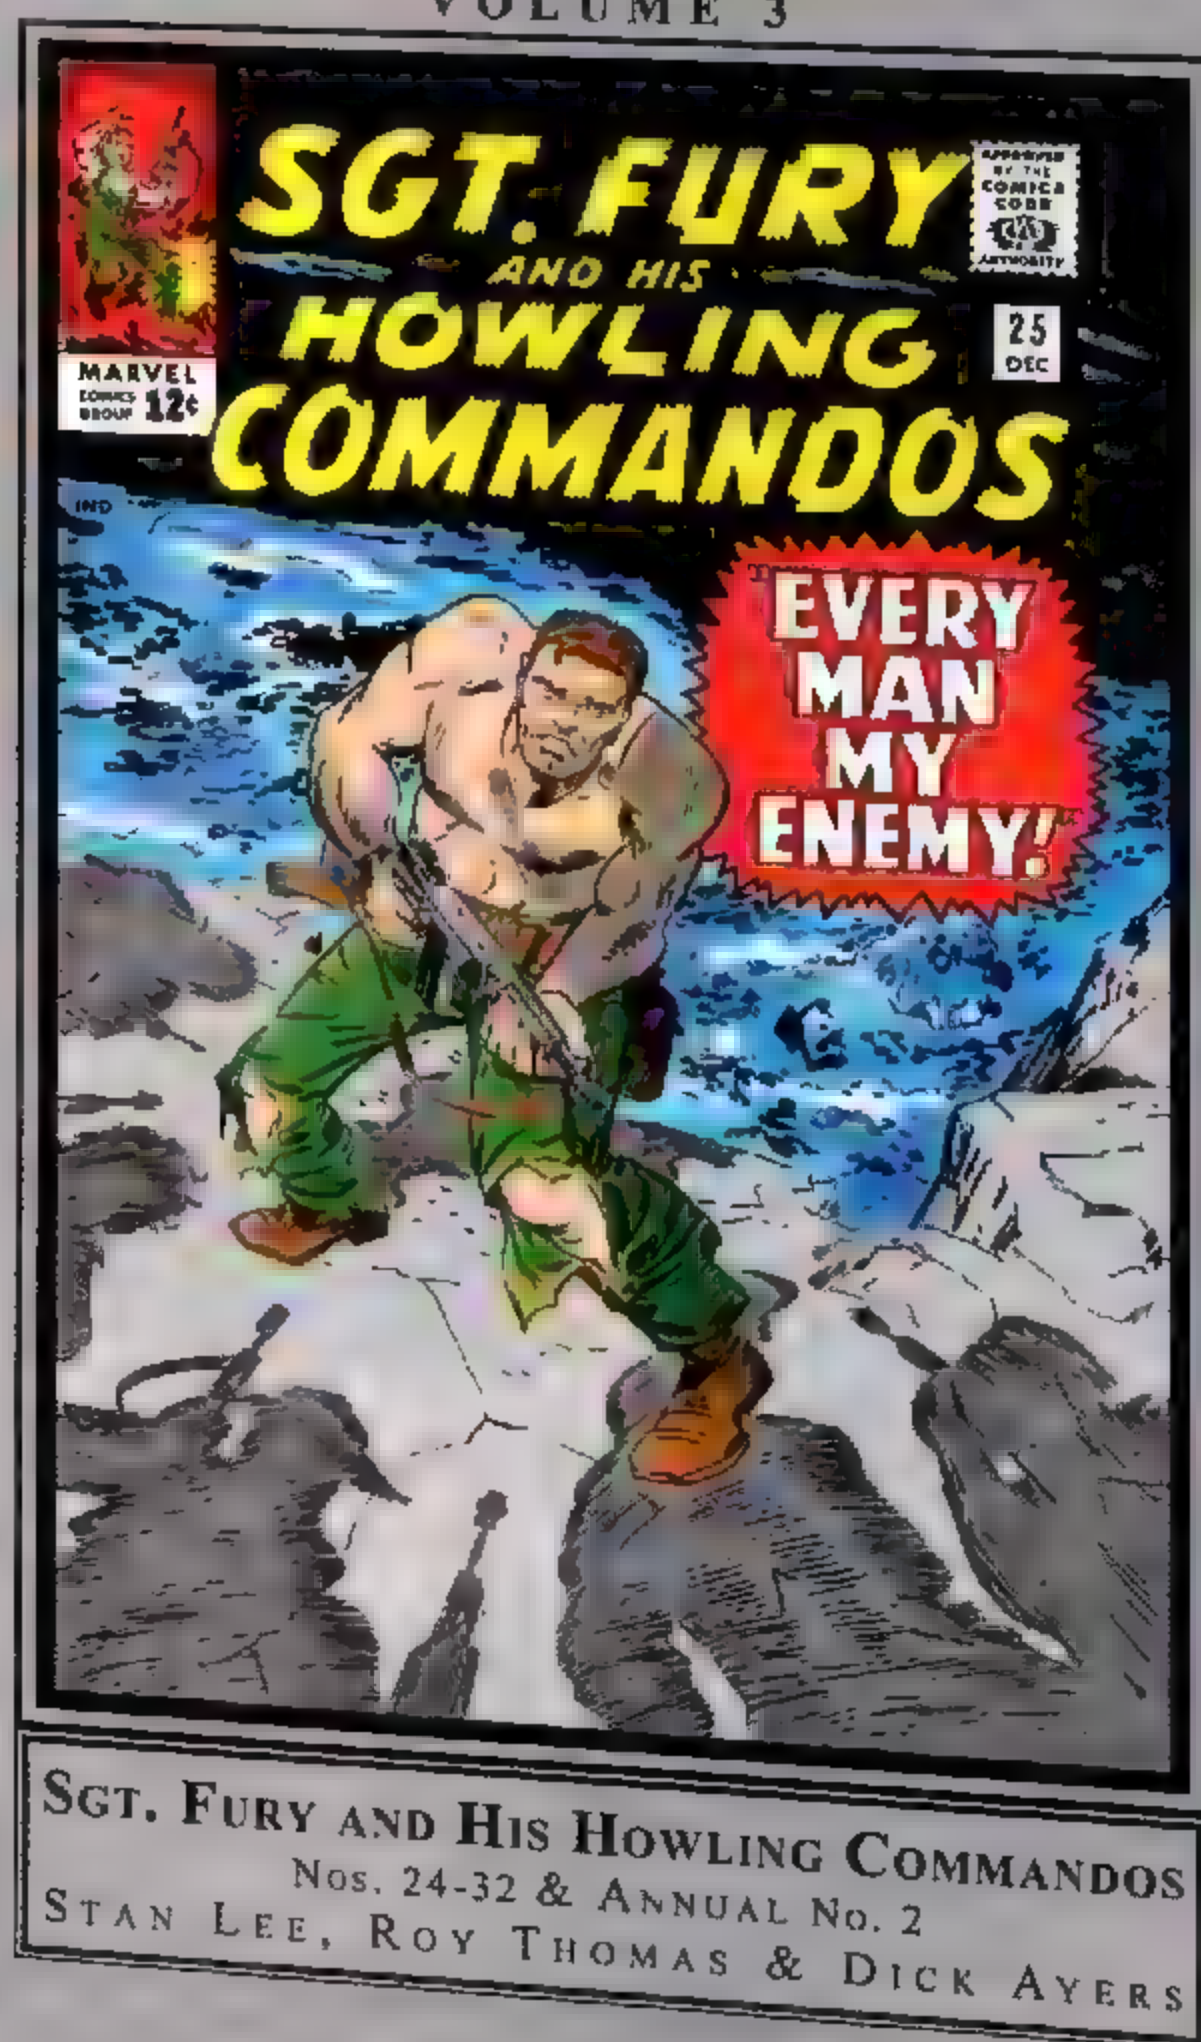

It's a jam-packed Tales of Suspense monster bonanza! And you know you can't keep a good monster down. No way, no how, and before they revolutionized the super hero set, Stan Lee and Jack Kirby made monsters their daily diet. Klaag. Oog. Bruttu Monstrollo. Skyscraper-tail lumbering beasts from outer space; muck-covered monsters from the Savannah swamps; lost world anachronisms from beyond time; and they were all here to teach humanity a lesson, whether we liked it or not. And after Kirby scares you with his creatures from the id, Steve Ditko will tear at your conscience—from the inside out—in tense suspense-thrillers cast with nervous-eyed dreamers and sweaty-palmed schemers, none of whom make it out with getting theirs. Each and every tale is executed by a master of storytelling—by the talents that defined the comic book medium for a generation—and each one is brought to you, gleamingly restored, in the fan-favorite Marvel Masterworks line! Spinning Spidey's webs to greater and greater heights, Stan Lee and Steve Ditko created an unabashed cultural phenomenon in *The Amazing Spider-Man*. Spidey roots out the secret hideout of the mastermind that has been terrorizing New York, but he won't take him down without a challenge. Buried under a mountain of machinery with the clock ticking and Aunt May's life on the line, Stan and Steve put Spider-Man through the most wrenching experience of his career and define a hero in the process.
